

# NIC celebrates AI Day, 2021

Artificial Intelligence (AI) Day was celebrated by NIC on the 25th January 2021. Hosted at NIC HQ, the event witnessed the participation of NIC officials from across the nation through video conferencing.

Shri Vishal Dhupar, Managing Director, Asia South at NVIDIA, and Dr. (Prof) NN Mathur, Director & Additional DGHS & Director Professor (ENT) Lady Hardinge Medical College were the invited guests who addressed the participants of the event through video conferencing.

DG NIC, Dr. Neeta Verma launched the NIC service **AIAAS** (AI as a Service) on NIC Cloud and also released the white paper on **COE-AI services** consisting of NIC achievements in the last two years related to various e-Governance applications. Top winners of the AI Hackathon which was held last year were felicitated. It was on the same day last year, NIC's Centre of Excellence in AI (COE-AI) at NIC HQ was inaugurated by the Hon'ble Union Minister, Shri Ravishankar Prasad.
